

The Big FAT Bank

About a hundred years ago, three wealthy bankers got together in secret behind locked doors, and while they puffed on their cigars, they plotted to make themselves VERY rich. They started The Big FAT Bank, printing money out of thin air, then stealing it all back on the super money merry-go-round. Written by Dalia Mae Lachlan with illustrations by Niharika Singh.

Other Books in the Series

The Factory That Made Guns

Great Monster corn

The People that refused to be Sheeple

The Three Tall Buildings

When your kids grow up as informed, open-minded and questioning adults, they will have the insight to lead and choose leaders who reject violence and corporate greed. These books are one early step to understanding the complex world we live in, and to encourage the desire to question and ask for truth. Hopefully our kids will live, and demand to live, in a more peaceful, harmonious, and fairer world.

THE BIG FAT BANK

How three greedy bankers started The Big FAT Bank that made money out of thin air, and plotted to steal it all back from the people.

Have you ever wondered why we have banks?

"When we have money, the bankers keep our money safe so it's not stolen by beggars or thieves," a young girl answered.

Shoes

Well, about a hundred years ago, three wealthy bankers got together in secret. And, behind locked doors, while they puffed on their cigars, they plotted to make themselves rich.

Very rich.

But making things to make MONEY was far too MUCH work.

So they began PLANNING and PLOTTING, THINKING and SCHEMING.

The bankers were greedy and wanted to be RICHER than all the KINGS, all the EMPERORS, and all RULERS of the WORLD.

"Why don't we just make MONEY...out of thin AIR - out of NOTHING?"
